There are three ways to receive your gift cards, you may choose either option:

- Purchase gift cards using “SCRIP-to-Go” in the school office during normal school hours.
- Order your gift cards online at www.shopwithscrip.com and send the payment to the school office by Monday at 3:00 p.m., then pick up the gift cards in the school office on Friday.
- Place an order using the handwritten form available in the school office and submit the payment to the school office by Monday at 3:00 p.m., then pick up the gift cards in the school office on Friday.

Everyone will be asked to check their order and sign for its release. Your signature indicates your order was received by you and confirms that it was filled accurately. If your order has an error, do not sign it out and have the office personnel contact the TAP program coordinator immediately.

Remember that certificates are just like cash and should be treated accordingly – when it leaves our hands, it is your responsibility. WCS will not replace any stolen, lost, damaged, destroyed or expired gift cards. **All TAP sales are final.**

Should you leave WCS, any tuition credit earned in your account cannot be refunded and will be transferred to the Faith Partners Scholarship Fund.
